Dear Mr. Ellsberg,

Thank you so very much for taking the time out from your very busy schedule to meet with and address the members of Strawberry Creek College this past Thursday afternoon. To say that your talk was imaginative, provocative, and stimulating would almost be an understatement. And the consideration you gave to our questions and your patience in answering them was far above and beyond the call of duty. All in all it was an experience we will long remember and continue to relish.

In closing, let me once again, on behalf of the entire membership of the College, express our deepest appreciation for your so generously giving of your time and energy to us.

Cordially yours,
